- 1 For oil-free: In an extra-large oven-safe skillet cook mushrooms over medium-high 6 to 8 minutes or until lightly browned and liquid has released and evaporated, stirring occasionally and adding water, 1 to 2 tablespoons at a time, as needed to prevent sticking. *(If using oil: In an extra-large oven-safe skillet heat olive oil over medium-high, then add mushrooms and cook 6 to 8 minutes or until lightly browned and liquid has released and evaporated, stirring occasionally.)*
- 2 In a large bowl stir together the next eight ingredients (through cinnamon). In a food processor combine mushrooms, chickpeas, walnuts, and lime juice. Pulse until chopped. Add chickpea mixture to seasonings in bowl; stir well to combine. Let stand while preparing potato mixture.
- 3 Wipe out skillet and place in oven. Preheat oven to 425°F. Meanwhile, place potatoes and onion in a steamer basket in a large saucepan. Add water to saucepan to just below basket. Bring to boiling. Cover and steam 12 to 14 minutes or until tender.
- 4 Add steamed potatoes and onion to mixture in bowl; toss to combine. Season to taste with salt and black pepper. Carefully transfer potato mixture to the hot skillet. Return to oven. Bake about 10 minutes or until heated and browned.
- 5 Serve in skillet with tortillas and desired toppings.
