Easy Thai Noodles

I love Thai food but don't go out to restaurants for it much anymore because it's hard to avoid all the added fat. Here are some easy thai noodles I make about once a week. This one has the great flavor without the fuss or the fat.

- 1** Cook the noodles according to the package instructions. Drain and set aside.
- 2** Meanwhile in a large saucepan, combine the soy sauce, brown rice syrup, lime juice, garlic, and ¼ cup water. Bring to a boil over medium heat. Stir in the Asian mixed vegetables and cook until crisp-tender, about 5 minutes.
- 3** Add the cooked noodles and mung bean sprouts and toss to coat. Cook until heated through, about 2 minutes.
- 4** Garnish the noodles with the green onions, chopped peanuts, cilantro, and lime wedges. Serve.
