

## "The Last Heart Attack" - Watch Now On CNN

By Forks Over Knives  
September 01 2011

"The Last Heart Attack," a CNN documentary hosted by Emmy-award winning correspondent Dr. Sanjay Gupta, looks at the science of [heart disease](#) prevention. Dr. Gupta, who has a family history of heart disease himself, investigates whether diet and modern medicine are enough to prevent all heart attacks. "The Last Heart Attack" features former President Bill Clinton along with Forks Over Knives' Dr. Caldwell Esselstyn.

If you are on a computer (not a mobile device), you can watch a higher quality version of this documentary on [CNN](#).
